

Project 2020: Bursaries provided by the British Guild of Tourist Guides.

A further note to applicants.

Bursaries are available from the British Guild of Tourist Guides ('The Guild') and anyone interested in applying should download the Guidelines for Applicants and the Application Form from the website. Any application that meets these criteria will be seriously considered. Candidates will be called for interview at Guild House and will be required to submit information as outlined in the above documents. Please note that the Guild will only fund a proportion (typically 25%) of the cost of the training course.

Applications are open only to those who have been accepted on to the accredited course. The committee will interview suitable candidates before the end of April 2018 and the results will be circulated within 48 hours of the final interview.

Philippa Owen

Chair of the Project 2020 Committee
